

Additional information for allocation of places for pupils with an aptitude in Sport and/or Music

Up to 10% (24 in total) of the Published Admission Number (240) will be allocated under criteria 2 for admissions in 2023.

Aptitude will be assessed using an appropriate sporting / musical test.

Sport:

Sport aptitude tests are likely to take place in early to mid-October after the school day finishes. Exact dates and times will be emailed nearer to the date. The assessment will consist of different activities testing a number of components of fitness. The event will be organised and facilitated by the PE department under the overall guidance of the Director of Sport.

Music:

The music aptitude test will take the format of a video which demonstrates your musical ability. The short film should include:

- A brief introduction about yourself and your musical experiences so far.
- Perform a piece of your choice (max 5 minutes) on your first study instrument. If you have a second study instrument then we welcome you to perform a short piece if you would like to.

This needs to be submitted/shared as a video file via email to Mrs Grace Barber, Curriculum Leader of Music by 9.00am on Monday 10th October 2022.

Any questions about this process, please do not hesitate to contact Mrs Grace Barber
