Qualifications Phase Year 1 Creative iMedia Curriculum Sequence

Intent: The Cambridge Nationals in Creative iMedia is a vocational qualification that teaches pupils a wide range of digital and creative skills suitable for job specific employment in future digital careers. The qualification can also act as a proof of a well-defined digital skillset that can set pupils apart from their peers in the job market

<u>T1</u> Media industry sectors and products	<u>T2</u> Visual Identity	<u>T3</u> Visual Identity Coursework	<u>T4</u> Visual Identity Coursework	<u>T5</u> Job roles in the media industry Style, content, layout and purpose Client requirements	<u>T6</u> Audience demographics Research methods
<p>Why This Topic? Media industry sectors is the first unit on Topic Area 1, the media industry, key to understanding the remaining content of the course.</p>	<p>Why these topics? This unit is a skill builder for the coursework project that will be undertaken this year. It is then assessed using the practical method outlines in the assessment section. Pupils can use the formative feedback to understand how to improve for the real assignment.</p>	<p>Why This Topic? The coursework counts for 35% of the overall grade and is a mandatory component.</p>	<p>Why This Topic? The coursework counts for 35% of the overall grade and is a mandatory component.</p>	<p>Why This Topic? The first unit of Topic Area 2. Studying this unit will aid student's ability to reflect on media texts, a crucial skill for the exam.</p>	<p>Why This Topic? The learning from this will be needed in the final coursework unit.</p>
