

# Sandbach School Religious Studies- Transition challenge

Below are the symbols of the 5 main World Religions. Your job is to find out which symbol matches which World religion, and then to write 3 interesting facts that you have discovered.

Things you could include: drawings and pictures, facts about how the religion began, its religious leader, where and how they worship, what each religious symbol means.

## Need a hint?

These are the beginning letters of the religions you are looking for:

C  
J  
H  
I  
B

@SandbachRS

Fancy a challenge? Now you have completed your research, can you spot any similarities between each religion? Highlight/write these down!
