

Music Challenge!

Your Task: To record yourself singing the song: 'I can see clearly now the rain has gone'

- **Step 1:** Listen to the song and practise singing along with the original song or the karaoke version. Please use these YouTube links:

Step 2: You need **2** devices (eg Phone and Tablet, Phone and PC, Tablet and PC) and headphones

When doing the recording, please do it on **LANDSCAPE** (so it's wide and fills the whole screen - not tall)

Step 3: Get both devices set up e.g. 1st device ready to record and 2nd device ready to play the backing track. Press record on the video first then press play on the backing track.

Step 4: Wear your headphones when you are recording so we don't hear your backing track.
