

Year 8 History revision – Review 3

When revising for your Review 3 exam, you need to start by looking back through your exercise book at the topics we have studied.

We have also provided a selection of sheets, books and textbook pages that correspond to the list of exam topics below.

You could look at each topic and make yourself a revision card, a 1 page spider diagram or mind map or use the revision knowledge organiser that I have attached to the Show my homework exam notice.

If you find you are missing some information, or are not confident about a topic, start by using the additional reading material on Show My Homework to help you but if in doubt – Google it!!
