# So what is it?

Show My Homework is an online homework calendar that allows teachers to set homework.

The screenshot displays the 'Show My Homework' website for Sandbach School. The browser address bar shows the URL: <https://sandbachschool.showmyhomework.co.uk/school/homeworks/calendar?all=true>. The website has a blue header with the 'Show My Homework' logo, navigation links for 'Home' and 'Calendar', and a 'Log in' button. Below the header, the school name 'Sandbach School' is displayed. A filter section includes dropdown menus for 'Select a year', 'Select a type', 'Select a subject', 'Select a teacher', and 'All classes'. Navigation buttons for 'Prev', 'Next', and 'Today' are present, along with the current date 'Sep 5th - 11th, 2016'. A legend identifies homework types: Homework (green), Spelling Test (teal), Quiz (orange), Differentiated Homework (blue), and Class Test (purple). The main content is a calendar grid for the week of September 5th to 11th, 2016. Each day's column lists homework assignments with details such as class, subject, and teacher. Some assignments include a small icon indicating a test or quiz.
