

Biology A-level trip to Rhyd-y-Creuau Joseph Cole £295

Who is it for?

This three-day trip offers students a unique chance for Y12 to dive into Biology coursework outside of the classroom, engaging in essential fieldwork that directly supports the A Level curriculum. We will be based at the **Rhyd-y-Creuau Field Studies Centre**, nestled in the stunning landscapes of North Wales.

The concepts covered on this trip are not only fundamental to pupils studies, but will also feature prominently in the final exams—making this an invaluable learning experience!

The trip leaves school on Friday 20th June 2025 and returns on Sunday 22nd June 2025.

Students will receive accommodation, all meals, expert tuition from field studies tutors, and full use of specialised equipment throughout the trip.

To secure a place please fill in the form below:

Booking terms and conditions

Withdrawal from the trip and therefore refund of payments will be decided on a case by case basis. Deposits however are non-refundable. There is a minimal number for the trip to run, if this is not met then all deposits will be repaid. The trip will be covered by travel insurance. The school reserves the right to remove, from this trip at any stage, any student whose behaviour becomes a concern. The school will not be held responsible for the loss, theft or damage of any personal items whilst on a school trip. You must inform the school of any changes to your child's medical and dietary needs and/or emergency contact details. Payment and/or consent online is an acceptance of the payment schedule and booking conditions.
