### **For Year 12 Students of History, Politics and/or RS**

This is an exciting opportunity for Year 12 students to stretch their cultural horizons and visit some of the places they have only seen on television or read about in books on this 3 day, 2 night visit to the nations capital, London.

This visit offers the chance to supplement their classroom study in a number of ways whilst giving the students to see some of the most famous tourist sites Britain has to offer.

We will travel down by train from Crewe Station, stay at the legendary Generator, London and use a mixture of tube travel as well as seeing the capital on foot. We plan to eat at various different places for example Victoria Food Hall, Borough Markets and the International Food Market in Fitzrovia.

This trip combines high brow cultural enrichment eg by visiting Parliament with the fun of the London Bridge Experience and will be an unforgettable end of their lower 6th and a good way to relax after their end of year exams in June.
